

I support XM satellite radio and also pay for their 100% coverage of news, weather, and traffic reports for regions all over North America as I am an over the road truck driver. I subscribe to XM Radio and rely on the service they provide me 365 days a year. I depend on the traffic reports as a tool for my profession, please reject NAB'S petition 04-160

THANK YOU  
JAMES D. HEDLEY
